If you enjoy working with people and helping them reach their goals and potential, a home-based coaching business might be for you. Additionally, wearing certain colors may cause you to react differently to certain situations. In all, 18 articles were reviewed, with the results suggesting that 1 YouTube is increasingly being used as a platform for disseminating health information; 2 content and frame analysis were the primary techniques employed by researchers to analyze the characteristics of this information; 3 YouTube contains misleading information, primarily anecdotal, that contradicts the reference standards and the probability of a lay user finding such content is relatively high; 4 the retrieval of relevant videos is dependent on the search term used; and 5 videos from government organizations and professional associations contained trustworthy and high-quality information.
