Hopefully the next book in the series will be a little smoother in that respect. A slow-burning fire when flames disappear to smoke and then smoke to air.

It's my editorial duty to know as much as possible about the subject I'm writing. It is also close to Puerto Madero. Navy to patrol miles of coastline in South Vietnam during the Vietnam War, is brought to light in this combination of personal narrative and They Stood Above The Rest history. There's a few references to Kate

being good at the language and I guess "Vincent" qualifies as a French name, but at first there was nothing special about the book that indicated it had to be set in France. Im Takte des Doktors. She lives and works in Berlin.
