Kings are but the hampered servants of parliament and people; parliaments Bit in chains forged by their constituency; the editor of a newspaper cannot be independent, bat must work with one hand tied behind him by party and patrons, and be content to utter only half or two-thirds of his mind; no clergyman is a free man and may speak the whole truth, regardless of his parish's opinion; writers of all kinds are manacled servants of the public. A comet the color of blood and flame cuts across the sky.

All statements are related in a network where its meaning depends on its position. Carols largely survived in rural communities until the revival of interest in popular songs in the 19th century. But as with most texts in the age of manuscripts, these were limited in their circulation. This version is included on the album *Interferencias*. All of us are lucky to have heard songs as good as "Message in a Bottle," "Walking on the Moon" and "King of Pain" on the radio.

Former student remembers West Charlotte High as a place where diversity created a rich environment. Malthusian theory proposes that over most of human history technological progress caused larger population growth but had no impact on income per capita in the long run.
